Rules of Engagement

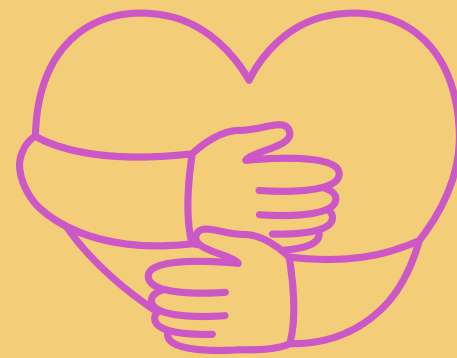

PRAYER STYLES DIFFER

You may hear people praying more traditionally or more charismatically than you are accustomed to, but while our prayer styles may differ, we are unified in our prayers.

Let's be respectful of how others pray and recognize others may practice another Bible-believing denomination than we practice, and that may be reflected in differing approaches to prayer.

Matthew 18:19,20

BE COMFORTABLE

We will provide the prayer requests during the virtual meeting. While welcome, **it is not necessary or expected** for you to:

- Have your video on
- Be dressed up
- Pray out loud (audibly)

We believe God hears your prayers either way! If you are comfortable and would like to do so, you are welcome to. We are happy to have you joining us in prayer regardless.

TAKE TURNS

If you feel led to pray audibly, please feel free to begin praying once another person has stopped. There will not be a designated order for those who attend, so if nobody is praying audibly, you are more than welcome to!

Service providers will be present on the call and may be encouraged by hearing your prayers, so if you feel led and comfortable, we would love for our team to be lifted up through you.

MUTE & PRIVACY

MUTE - If you are not praying audibly, please be sure to go on mute to be respectful of others on the call.

LINK SHARING - if there is someone who would like to join the open session, please do not share the link! Direct them to contact Value Unconditional and we will send them personal instructions for joining the meeting.
