Annual Impact Report 2021
It has been a beautiful journey to watch God mold this organization into the vision He gave us back in 2016. We’ve had the opportunity to serve both men and women overcoming past hurt through the guidance of Holy Spirit. By providing them with a safe, confidential and judgement-free environment, they are able to surrender the painful parts of their past knowing there is nothing God can not or will not heal for them. He reveals it to heal it. Romans 8 reminds us there is no condemnation for those in Christ Jesus, and Hebrews 4:12 assures us that God’s Word can reach into the depths of us in ways that nothing else can. With the support of many generous donors, the trust of partner organizations, and the referrals from churches and clients, we have been able to provide over 590 hours of services in the last 12 months, not including the educational trainings also provided to help equip community members with the tools necessary to support survivors of trauma.

Thank you to all who have supported our ministry, participated in our events or hosted us to provide a training. It is truly an honor and a pleasure to serve Kansas City every day.

Sincerely,

1-on-1 Mentoring

Value Unconditional currently has 3 staff providing 1-on-1 spiritual mentoring for men and women seeking healing through God’s Word. In these sessions, clients are able to safely unpack any past hurts that may be having an impact in their present life situations. By allowing Holy Spirit to highlight scripture and unfold truth at the pace clients are ready to receive it, our mentors provide a support that lasts long after the session has come to a close. These meetings are a great opportunity for clients to ask tough questions, share about the events that have shaped their life perspective, and trade their anxieties and stressors for a peace that only God can bring. Clients develop a deeper understanding of Holy Spirit and learn what the Bible says about who He is with us and for us. Jesus said Holy Spirit would come to be in close fellowship with us, and we aim to teach every client how to walk in a closer relationship with Him every single day.

Our clients will never pay a single penny to receive our services thanks to generous donors just like you.

Victims and survivors find healing and breakthrough through this 6-week processing group as they come to know their authentic identity in Christ, after often times spending many years believing their experiences have changed who they are. They learn about Holy Spirit and the role Jesus says He should play in our lives. We also provide a 1-day group session, best for individuals who have the spiritual foundation of knowing Christ, but are having challenges with trusting God, embracing His call on their lives or feel a past hurt has them stuck in their walk with Christ. All victim services are provided completely free of charge, as we believe the trauma our clients have endured has cost them enough.

2019: 17 Hours
2020: 0 Hours
2021: 12 Hours

No sessions were provided in 2020 due to COVID-19.

“I volunteer with Value Unconditional because they care about the full impact of victimization. I volunteer with them because I know we are empowering sustainable change with those who have experienced harm. With every service provided, I know I'm contributing to a safer, more just world.”

Misty Campbell, Advocate
Our education program is fueled by a belief that every survivor deserves a compassionate, trauma-informed response.

Value Unconditional provides a top-of-the-line crisis intervention and advocacy training where men and women are equipped with the tools to handle disclosures from both children and adults. Participants learn what to say, what not to say, and understand how their body language can help make the victim-survivor feel most comfortable. Discussion surrounding real-life scenarios allow attendees to apply what they’ve learned and ask questions they may have not previously considered.

“When someone comes to you with their pain, they are not asking you to decide if their pain is valid”

The deep, meditative prayers we did each class evolved my prayer life. After taking the course, I gained a greater understanding of how to approach God and how to have a deeper relationship with Him. I have since dedicated a custom to spending time alone with Him everyday. It is my custom to close off the world and spend time with God. It is my custom to continuously ask Holy Spirit to guide me, secure me, show me, aid me, walk with me and be with me whenever I go anywhere, period. Embrace the Grace helped me find out how to do that and how to ask Holy Spirit for the development of my faith journey and walk. I would take this course over and over again if given the opportunity!”

“Embrace the Grace was one of the best experiences I have had on my walk with Jesus Christ. These strong women helped me access the Holy Spirit in a way I never thought possible. Through Bible study, deep prayer and whole-hearted conversations through this course, God revealed a number of things to me about myself and how I view the world.

Embrace The Grace is a Value Unconditional 6-week processing group designed to help women get in touch with their authentic identity in Christ and better understand Holy Spirit’s role in our lives.

“Those things that happened to me, do not and will not define who GOD calls me to be.”

“Before coming to Value Unconditional, I was lost, ashamed and just going through the motions. I knew God, I knew what I needed to do but it seemed like I could never get 1 foot in front of the other without taking ten steps back. I was broken and I did not know how to get off the merry-go-round of my hurt and past! I was angry and bitter, empty all while raising a family, going to work and church. I was good at masking the pain and living in survival mode and never really healing! One day while getting ready for work, I came across a mirror. For the first time, I did not recognize the person staring back at me! Who, what, where and how did I get here?!

I picked up the phone and called Pam Brown and told her I needed help. That’s when she explained Value Unconditional. A few weeks later we started our one-on-one sessions. My life has not been the same. I was able to share my truth, good, bad and ugly, with no judgment. Then she gives me the word and then I take it back and read it for myself, on WHO GOD says I am! I have been walking in my true AUTHENTIC SELF. I still have work to do, but I know the woman staring back at me now!

Those things that happened to me, do not and will not define who GOD calls me to be. I know I am the apple of HIS eye and HE will move mountains on my behalf! I just have to trust and believe his word. So let me reintroduce myself. I am a Child of the MOST HIGH GOD. I am Sophia Loren Williams.”
